

VCF Spirit Tool

Markers along the path of prayer

Personal:

- More faith – feel energized
- Grip/focus - this is what my focus is to be
- Lifting - e.g. depression lifts
- A word comes
- Love of God comes out – inspired to do good to people (vs. feeling burdened by needs)
- Urgency to do something (vs. hopelessness and not knowing what to do)

External World:

- What was closed previously opens up
- Identifiable warming of people towards us
- Freed up, bold
- Perceive and interpret shaking in people's lives
- Identify with shaking/heaviness
- See pattern, identify enemy's scheme - e.g., robbery, temptation
